

The APC - Fragile Service

Looking for a reliable delivery solution for your Fragile products?

As a member of The APC Network we have a dedicated solution for Fragile items - giving you peace of mind knowing that your parcels are delivered safely to its delivery destination.

- Fragile items are sorted by hand – no automated machinery is utilised
- All items are segregated into separate cages to ensure maximum protection
- Products are handled by staff fully trained at The APC Training Academy
- We provide support to improve your packaging to help reduce opportunity for damage

Our specialist Fragile Service is perfect for shipping delicate items such as –

Flowers

Glass

Food
